

XLR and PANEL MOUNT CONNECTOR CAPS

NEW PRODUCT BULLETIN 622

FEATURES & BENEFITS

- 13 unique designs offer protection to hundreds of Switchcraft part connectors including E, EH, B, C, D, and DE series
- B series cap is waterproof to IP67 when mated to B-series sealed XLR receptacles
- Made in the USA from high quality thermoplastic elastomer
- All caps feature a durable lanyard to prevent loss of cap when connector is in use
- Each cap is custom designed to provide an excellent fit with Switchcraft® connectors
- Part drawings available at Switchcraft.com

APPLICATIONS

- Recording Studios
- Live Sound
- Instrumentation
- Test & Measurement Equipment
- Any other critical application
