

High-Speed HDMI with Ethernet All-in-One Keystone/Panel Mount Extension Cable (M/F), Angled Connector, 1 ft.

MODEL NUMBER: P162-001-KPA-BK

Adds an HDMI female port to a fixed location, such as a universal keystone wallplate, panel, podium or kiosk. Gives your conference room, classroom, home theater room or retail establishment a professional, clutter-free look.

Description

The P162-001-KPA-BK High-Speed HDMI with Ethernet All-in-One Keystone/Panel Mount Extension Cable allows you to terminate an HDMI connection in a universal keystone wallplate or panel. Or you can use the included panel mount adapter to convert the female keystone jack port for installation in a podium or kiosk. The angled connector makes the cable easy to install in tight spaces.

Ideal for giving your conference room, classroom, home theater room or retail establishment a professional, tidy look, this one-foot cable can complete an in-wall run and keep components out of sight in a closet or another room to eliminate cable clutter.

Molded gold-plated connectors offer optimal signal transfer. Premium foil shielding delivers reliable, error-free signal quality and protection from EMI/RFI interference. Integral strain relief ensures the cable and connectors last a long time.

Features

Mounts an HDMI Port in a Fixed Location

- Keystone design for easy snap-in installation in wallplate or panel
- Includes panel mount adapter for installation in podium or kiosk
- Angled female connector for easy installation in tight spaces
